Acting For Justice

Jesus calls us to follow him and do as he does. Join us as we learn more of our call to be just in the world. As we spend this year in unity with all Generation of Faith parishes may we come with mind and heart willing to act for justice always respecting our differences and remembering...

GOF Acting for Justice Goals

To hear the call of our faith to work for Justice for all our sisters and brothers as the call of Jesus.

To see that so many live without the basic necessities of life, robbed of their God-given human dignity.

To remember the Last Judgment question: "What did you do for the least of these?"

To realize that our Christian response to injustice does make a difference.
